

How the program works

- Attend one training and you qualify to enroll into rewards team member program
- Application form must be completed to enroll into program
- Program offered to individual contractors, architects, builders and engineers only
- For every class attended receive points
 - 1 day class = 10 points
 - 2 day class = 20 points
 - 3 day class = 30 points
- Points are redeemable at time of next visit. A minimum of 20 points are required Although points are redeemable, they are not lost. Points continue to accumulate every time you attend additional classes
- All rewards are redeemable one time at point of achieving level status
- Hotel upgrades are continuous every time a class is attended within level
