

Viega PureFlow[®] Poly PEX Press[™]

February 2012

Announcing a new Poly PEX Press Fitting System

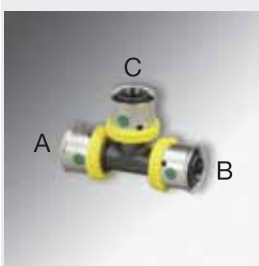

Introducing Viega's new Poly PEX Press fittings! These new fittings, combined with Viega's existing PEX Press fittings, form a complete system solution. Made from Radel-R[®], the highest quality plastic material, these innovative fittings have all the benefits of Viega's PEX Press fitting system and more!

Features and benefits:

- Smart Connect[®] feature helps installers identify unpressed connections
- Made in the U.S.A. at Viega's Manufacturing and Distribution Facility in McPherson, KS
- NSF-61 approved for use in potable water systems
- Applicable for use in radiant heating systems
