Education Continues at Viega

Class attendees at Viega's Educational Facility in Nashua, NH are now eligible to receive continuing education credits from the State of New Hampshire. Viega is now a recognized provider of courses to Professional Engineers for Continuing Professional Development and is listed on the State of New Hampshire's Web site at <http://www.nh.gov/jtboard/calendar.htm>. Laurie Lesmerises, technical services administrator at Viega in Nashua, is currently working with the state representative of Massachusetts to become a provider of courses there as well. More information on the Viega Educational Facility is available online at <http://www.viega.net/4761.htm>.

Visit us on the web at www.viega.com or contact us by email at insidesales@viega.com or by phone at 1-800-976-9819.

About Viega:

Since 1899, Viega has been manufacturing and distributing the highest quality plumbing, heating and pipe-joining products in the world. With innovative systems like copper and stainless ProPress[®], ProRadiant[™] and PureFlow[®], Viega is the global leader in residential, commercial and industrial piping applications.
