### Viega ProPress® Is the Smart Choice

In the flood of pipe fittings inundating the world, connect the dots to discover which product is superior. The Viega ProPress system is the highest rated copper press joining system on the market with over 300 million fittings installed every year. ProPress offers the unique Smart Connect® feature, which means contractors can easily stop leaks before they start. Color coded for the pipe you choose, whether copper or stainless, fittings are available from ½" to 4" in a variety of configurations. Visit us on the web at [www.viega.com](http://www.viega.com) or contact us by email at [insidesales@viega.com](mailto:insidesales@viega.com) or by phone at 1-800-976-9819.

#### **About Viega:**

Founded in 1899, Viega manufactures and distributes the highest quality plumbing, heating and pipe-joining products in the world. With innovative systems like copper and stainless ProPress®, ProRadiant™ and PureFlow®, Viega is the global leader in residential, commercial and industrial piping applications.
